Cisco Networking Academy
Lab Equipment Promotion Ordering Information
Revised February 1, 2016

General information:

The intent of the Networking Academy promotion is to provide a vehicle for Cisco Networking academies around the world to purchase the recommended lab equipment required to deliver hands-on skills based assessment labs for Cisco Networking Academy curriculum at a preferred discount.

Only the specific equipment and associated services recommended by Cisco for delivery of Networking Academy curriculum is included in the promotion. See specific equipment lists in the Products & Services section of this document-page 2.

Eligibility: All Networking Academy member institutions with a CCNA trained instructor actively teaching CCNA, CCNA Security, or CCNP are eligible to participate in the Networking Academy equipment promotion.

How to order: Academy institutions should work with their local Cisco Reseller Partner of choice for equipment pricing information and order fulfillment. To locate a Cisco Partner/Reseller, please use the Partner Locator Tool Found here: http://tools.cisco.com/WWChannels/LOCATR/openBasicSearch.do
The following information should be provided to the chosen Cisco Partner in order to confirm eligibility and negotiate the most favorable pricing for the partner/reseller on behalf of the academy institution.

> **Academy Institution Name & ID#:** Full Name of the Institution Purchasing the Equipment and Cisco Academy ID # as displayed in the Academy Locator (If not known, this information is the number displayed in parenthesis after the academy name/address information accessible through the Academy Locator url: **https://www.netacad.com/web/about-us/academy-locator**) *Please select the Name/ID search option.*

For assistance or questions regarding the Networking Academy Lab Equipment Fulfillment Promotion, please email: eem-academyapproval@cisco.com.

Product Order Quantity Limits: An academy is not permitted to order more than the total quantity indicated below per quarter:
- 10 CCNA bundles
- 10 CCNA Security bundles
- 4 CCNP bundles
- 10 of each product add-on

If a request exceeds the maximum quantity limits indicated above, deal approval authorization from the NetAcad CSR Manager and/or NetAcad Regional Manager will be required.

PROMOTION ELIGIBLE PRODUCTS & SERVICES

Cisco reserves the right to modify or discontinue the Networking Academy™ Equipment Discount Program at any time without prior notice or liability. Only the promotion eligible products and services listed below are eligible for the Networking Academy promotional discount. **Please note part number substitutions required in Brazil and Russia where select locally manufactured product versions must be substituted for global product versions.**
